

**The Challenge:**

- Do you want to keep track of inventory in service vehicles, emergency vehicles, public works vehicles, fire apparatus, temporary storage locations, etc.?
- Do you want to be able to view who moved the inventory and when?
- Do you want to print a detailed transfer ticket that delineates what inventory items were transferred?

If you answered "yes" to any of these questions, you should consider deploying the QUICK® Mobile Item Transfers!

**QUICK® Item Transfers:**

- Online real-time access to NaviLine® Inventory
- Scan an item and the following information is displayed:
  - Item Description
  - Quantity on Hand
  - Quantity Invoiced
- Scan any item in the destination location or manually enter the location and the materials are transferred!
