

The Challenge:

- Do you need verification that someone accepted evidence or property from your possession?
- Do you want to eliminate having someone sign a form or report and then having to file it for future reference?
- Do you want to be able to scan a piece of evidence/property and be able to see every chain of custody transaction including signatures?

If you answered "yes" to any of these questions, you should consider deploying the QUICK® Chain of Custody Signature/Inquiry Add-on Module! It allows you to capture signatures on check out and check in transactions and view all chain of custody transactions on your mobile computer!

QUICK® Chain of Custody Signature/Inquiry Add-on Features:

- Online real-time access to NaviLine® Crimes Chain of Custody information
- The ability to tailor when you want to capture signatures
 - ◆ Tailor to show a signature pad on check out and/or check in transactions
 - ◆ Display signature pad and require a signature
 - ◆ Display signature pad and optionally request a signature
